Have you ever considered attending an Optimist International Convention? This may be your opportunity! This year's iImagine Virtual Convention 2020 was announced by Adrian Elcock, President of Optimist International. OI has developed a fun, interactive online event to bring great speakers and training to our living rooms.

Participants can attend group events, such as the opening ceremony and keynote addresses, while also creating a personalized schedule of education sessions to meet their individual needs. The schedule of events will be announced next week. There will even be opportunities to socialize with your best Optimist friends and network with newcomers. It is Convention 2.0 on your couch, with no packing to do or plane tickets to buy! The iImagine Convention will be held on Saturday, June 27 in the morning and Sunday, June 28 in the afternoon. Each session will be three hours long.

Our Eastern District Governor, Michael Boles has announced that the district will cover the cost for any members who would like to register. If you are interested, please contact Janet Popejoy at 573-823-9927 or me for more information on registration.
